Exhibit A

**Amendment to the Kenyon & Kenyon LLP Pension Plan**

The following amendments are all effective as of January 1, 2007:

1. Section 5.5(b)(3) is amended and restated, in its entirety, as follows:

(3) If a Terminated Vested Participant dies prior to the commencement of his pension benefit, then his Eligible Spouse shall receive a pension benefit commencing on the first day of the month coincident with or following the Participant's death. The amount of such pension benefit shall be equal to the amount the Eligible Spouse would have received had the Participant survived to the first day of such month, and died immediately thereafter with an Automatic Joint and Survivor benefit in effect, but based on the Participant's Accrued Benefit at the date of death.

2. Section 5.5(g) is amended and restated, in its entirety, as follows:

(g) For the purposes of this Section, the "minimum spouse's death benefit" means a death benefit for a Vested married Participant payable in the form of a Pre-Retirement Survivor Annuity. Such annuity payments shall be equal to the amount which would be payable as a survivor annuity under the joint and survivor annuity provisions of the Plan if such Participant had:

- (1) separated from service on the earlier of the actual time of separation or the date of death,
- (2) retired with an immediate joint and survivor annuity based on the Participant's Vested Accrued Benefit on the earlier of the actual time of separation or the date of death, and
- (3) died on the following day.

3. Section 5.6(a) is amended and restated, in its entirety, as follows:

(a) Payment to a Former Participant of the Vested portion of such Former Participant's Accrued Benefit, unless such Former Participant otherwise elects, shall begin not later than the 60th day after the close of the Plan Year in which the latest of the following events occurs: (1) the date on which the Participant attains the earlier of age 65 or the Normal Retirement Age specified herein; (2) the 10th anniversary of the year in which the Participant commenced participation in the Plan; or (3) the date the Participant terminates service with the Employer. A Former Participant may elect to have payment of the Vested portion of such person's Accrued Benefit begin on or after the first day of the month coincident with or next following the date the Participant terminates service with the Employer. In the event that a Former Participant elects to receive such payment prior to such person's Normal Retirement Date, such benefit shall be equal to the Actuarial Equivalent of such Former Participant's Accrued Benefit.

**DBP 000002**

[The Administrator shall in all events (and without the need for any election on the part of any Former Participant) direct the earlier payment of the entire Vested portion of the Present Value of Accrued Benefit, but only if it does not exceed \$5,000.]

That portion of a Terminated Participant's Accrued Benefit that is forfeited shall be used only to reduce future costs of the Plan at such time as it becomes a forfeiture.

That portion of a Terminated Participant's Accrued Benefit that is not Vested shall become a forfeiture on the last day of the Plan Year in which the Participant incurs five (5) consecutive 1-Year Breaks in Service.

**KENYON & KENYON**

**Resolutions**

The Pension Committee of Kenyon & Kenyon (the "Firm"), being empowered to act on behalf of the Firm, hereby takes the following actions on its behalf:

**WHEREAS**, the Firm sponsors and maintains the Kenyon & Kenyon Pension Plan (the "Plan"); and

**WHEREAS**, effective June 1, 2006, the Firm wishes to eliminate all future increases in the amount of benefits payable under the Plan in the case of any Plan participant who terminates employment (even if prior to that date) and delays the receipt of Plan benefits beyond such person's "Normal Retirement Date," as defined in the Plan.

**NOW, THEREFORE**, be it

**RESOLVED**, that, effective June 1, 2006, the Plan is amended as set forth in the amendment attached hereto as Exhibit A; and it is further

**RESOLVED**, that the proper officers of the Firm be, and each of them acting singly hereby is, authorized and empowered to make, execute and deliver on behalf of the Firm all such agreements, certificates, instruments and documents and to take all such actions as may be necessary, desirable or appropriate in connection with the adoption and implementation of the foregoing resolution, the taking of any such action or the execution or delivery of any such agreement, certificate, instrument or document to be conclusive evidence that the taking of such action or execution and delivery of any such agreement, certificate, instrument or document was deemed necessary and appropriate in connection with the amendments contemplated hereby; and it is further

**Amendment to the Kenyon & Kenyon Pension Plan**

A new Section 5.1(e) is added to the end of Section 5.1, as follows:

(e) Except to the extent otherwise required pursuant to Code Section 401(a)(9)(C)(iii), there shall, for periods on and after June 1, 2006, be no actuarial adjustment (or any other increase) pursuant to Section 5.1(d) (or any other provision of the Plan) in the amount of any Participant's retirement benefits otherwise determined pursuant to this Section 5.1 (including, for this purpose, such retirement benefits otherwise determined after taking into account the amount of any adjustment up through May 31, 2006, pursuant to Section 5.1(d)) on account of such a Participant's "Benefit Commencement Delay." For purposes of this Section 5.1(e), (i) with respect to a Participant who terminates employment with the Employer prior to such person's Normal Retirement Age, a Benefit Commencement Delay shall be deemed to occur if such person's Annuity Starting Date, for any reason, fails to occur on or before such person's Normal Retirement Date and (ii) with respect to a Participant who terminates employment with the Employer on or after such person's Normal Retirement Age, a Benefit Commencement Delay shall be deemed to occur if such person's Annuity Starting Date, for any reason, fails to occur as of the first day of the month coincident with or next following such termination of employment. The provisions of this Section 5.1(e) shall apply notwithstanding the foregoing provisions of this Section 5.1, or of any other provision of the Plan, to the contrary.

**AMENDMENT TO THE  
KENYON & KENYON PENSION PLAN**

WHEREAS, Kenyon & Kenyon maintains the Pension Plan (the "Plan"); and

NOW THEREFORE, by virtue and in exercise of the amending power reserved to Kenyon & Kenyon by the provisions of the Plan, and pursuant to the authority delegated by Kenyon & Kenyon to the undersigned Partner thereof, the Plan is hereby amended in the following particulars as of October 1, 2005 except as otherwise indicated:

1. The second paragraph of Section 5.7(c) is hereby amended by replacing the existing language with the following:

"If, for Plan Years beginning after September 30, 2005 the value of the Participant's benefit derived from Employer and Employee contributions exceeds \$1,000 but does not exceed \$5,000, then the Administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator. If, for Plan Years beginning after September 30, 2005 the value of the Participant's benefit derived from Employer and Employee contributions does not exceed \$1,000 (\$5,000 for Plan Years beginning after August 6, 1997 and before October 1, 2005 and \$3,500 for Plan Years beginning prior to August 6, 1997), then the Administrator shall direct the Trustee to immediately distribute such benefit in a lump sum without the Participant's and the Participant's spouse's written consent. No distribution may be made under the preceding sentence after the Annuity Starting Date unless the Participant and the Participant's spouse consent in writing (or in such form as permitted by the Internal Revenue Service) to such distribution."

2. Section 5.11 is hereby amended by replacing the existing language with the following:

"In the event that all, or any portion, of the distribution payable to a Participant or Beneficiary hereunder shall, at the later of the Participant's attainment of age 62 or Normal Retirement Age, remain unpaid solely by reason of the inability of the Administrator, after sending a registered letter, return receipt requested, to the last known address, and after further diligent effort, to ascertain the whereabouts of such Participant or Beneficiary, the amount so distributable shall be forfeited and shall be used to reduce the cost of the Plan. Notwithstanding the foregoing, effective October 1, 2005 if the value of a Participant's Vested benefit derived from Employer and Employee contributions does not exceed \$1,000 (\$5,000 for Plan Years beginning after August 6, 1997 and before October 1, 2005 and \$3,500 for Plan Years beginning prior to August 6, 1997), then the amount distributable may, in the sole discretion of the Administrator, either be treated as a forfeiture, or be paid directly to an

individual retirement account described in Code Section 408(a) or an individual retirement annuity described in Code Section 408(b) at the time it is determined that the whereabouts of the Participant or the Participant's Beneficiary cannot be ascertained. In the event that the value of a Participant's Vested benefit derived from Employer and Employee contributions exceeds \$1,000 and does not exceed \$5,000, the Administrator shall pay the distribution in a direct rollover to an individual retirement plan designated by the Administrator. In the event a Participant or Beneficiary is located subsequent to the benefit being forfeited, such benefit shall be restored unadjusted for earnings or losses. However, regardless of the preceding, a benefit which is lost by reason of escheat under applicable state law is not treated as forfeiture for purposes of this Section nor as an impermissible forfeiture under the Code."

IN WITNESS WHEREOF, the undersigned partner of Kenyon & Kenyon has caused these presents to be signed on behalf of the Firm this 4th day of October, 2005.

**AMENDMENT  
TO THE  
KENYON & KENYON PENSION PLAN**

**WHEREAS,** Kenyon & Kenyon (the "Employer") has previously adopted the Kenyon & Kenyon Pension Plan (the "Plan"); and

**WHEREAS,** the Employer now desires to amend the Plan to incorporate the Model Amendments set forth in Rev. Procs. 93-12, 93-47 and 94-13; and

**NOW, THEREFORE,** the Employer hereby amends the Plan, effective October 1, 1993, unless otherwise indicated, as follows:

1. Effective as of October 1, 1994, Section 1.08 shall be amended by adding the following immediately preceding the last paragraph thereof:

"In addition to other applicable limitations set forth in the Plan, and notwithstanding any other provision of the Plan to the contrary, for Plan Years beginning on or after October 1, 1994, the annual Compensation of each Employee taken into account under the Plan shall not exceed the OBRA '93 annual compensation limit. The OBRA '93 annual compensation limit is \$150,000, as adjusted by the Commissioner for increases in the cost-of-living in accordance with Section 401(a)(17)(B) of the Internal Revenue Code. The cost-

of-living adjustment in effect for a calendar year applies to any period, not exceeding 12 months, over which Compensation is determined (determination period) beginning in such calendar year. If a determination period consists of fewer than 12 months, the OBRA '93 annual compensation limit will be multiplied by a fraction, the numerator of which is the number of months in the determination period, and the denominator of which is 12.

For Plan Years beginning on or after October 1, 1994, any reference in this Plan to the limitation under Section 401(a)(17) of the Code shall mean the OBRA '93 annual compensation limit set forth in this provision.

If Compensation for any prior determination period is taken into account in determining an employee's benefits accruing in the current Plan Year, the Compensation for that prior determination period is subject to the OBRA '93 annual compensation limit in effect for that prior determination period. For this purpose, for determination periods beginning before the first day of the first Plan Year beginning on or after October 1, 1994, the OBRA '93 annual compensation limit is \$150,000."

2. Article V is hereby amended by the addition of a new Section 5.07 as follows:

"5.07 Direct Rollovers.

This paragraph applies to distributions made on or after October 1, 1993. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's

election under this paragraph, a distributee may elect, at the time and in the manner prescribed by the Plan Administrator, to have any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the distributee in a direct rollover. Such distribution may commence less than 30 days after the notice required under Section 1.411(a)-1(k) of the Income Tax Regulations is given, provided that (i) the Plan Administrator clearly informs the Participant that the Participant has a right to a period of at least 30 days after receiving the notice to consider the decision of whether or not to elect a distribution (and, if applicable, a particular distribution option), and (ii) the Participant, after receiving the notice, affirmatively elects a distribution.

For purposes of this Section, the following definitions shall apply:

Eligible rollover distribution: An eligible rollover distribution is any distribution of all or any portion of the balance to the credit of the distributee, except that an eligible rollover distribution does not include: any distribution that is one of a series of substantially equal periodic payments (not less frequently than annually) made for the life (or life expectancy) of the distributee or the joint lives (or joint life expectancies) of the distributee and the distributee's designated beneficiary, or for a specified period of ten years or more; any distribution to the extent such distribution is required under Section 401(a)(9) of the Code; and the portion of any distribution that is not includible in gross income (determined without regard to the

exclusion for net unrealized appreciation with respect to employer securities).

Eligible retirement plan: An eligible retirement plan is an individual retirement account described in Section 408(b) of the code, an annuity plan described in Section 403(a) of the Code, or a qualified trust described in Section 401(a) of the Code, that accepts the distributee's eligible rollover distribution. However, in the case of an eligible rollover distribution to the surviving spouse, an eligible retirement plan is an individual retirement account or individual retirement annuity.

Distributee: A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Code, are distributees with regard to the interest of the spouse or former spouse.

Direct rollover: A direct rollover is a payment by the plan to the eligible retirement plan specified by the distributee."

IN WITNESS WHEREOF, the Employer has caused this Amendment to be executed as of this 13 day of February, 1995.
